---

Introducing CrocClip's Big Brother – the crazier 10 cm version for sealing Godzilla-sized bags! This mega clip boasts a powerful grip, monstrous charm, and an unexpected twist – it doubles as a ridiculously addictive fidget toy. Go ahead, try opening and closing it with one hand in your pocket for ten minutes without grinning. Just avoid doing it in public; non-makers might get the wrong idea.

**If you're new here and haven't met CrocClip's little brother yet, check it out at: <https://www.printables.com/model/742869-crazy-crocclip-for-sealing-bags>**

**Love our Crazy Croc family? Check out the Crazy Croc Clothes Peg for more fun!**
