### Summary

Keep your cables organized. Adjustable to fit any table.

[Household](#) > [Office](#)

Tags: [cable](#) [cableholder](#) [cablemanagement](#) [openscad](#) [desk](#)

### Customizable Cable Organizer that clamps to your desktop.

Clamps to your desks top and keeps cables tidy.

- The top part of the clamp can be angled inwards to generate more friction
- half circle with a straight top to add additional friction
- the thickness of the print can be adjusted to your printers nozzle to avoid gaps in the walls
- Fully cusomizable

A 20 mm and 25mm version is provided, for everything else just customize with OpenScad
